

Paweł Dybala

PEŁNA LISTA PUBLIKACJI:

Monografie / Books:

Humor to Facilitate HCI, Paweł Dybala - Germany: Lambert Academic Publishing, 2011. ISBN: 978-3844326352 [in English].

Rozdziały w monografiach / Book chapters

Annotating Japanese Blogs with Syntactic and Affective Information, Michał Ptaszynski, Jacek Maciejewski, Paweł Dybala, Rafał Rzepka, Kenji Araki, & Yoshio Momouchi - M. F. Moens & J. Li, T. S. Chua (Eds.), *Mining of User Generated Content and Its Applications*. Taylor & Francis. CRC Press, 2014. ISBN: 9781466557406 [in English].

Science of Emoticons: Research Framework and State of the Art in Analysis of Kaomoji-type Emoticons, Michał Ptaszynski, Jacek Maciejewski, Paweł Dybala, Rafał Rzepka, Kenji Araki, & Yoshio Momouchi - In U. S. Tiwary and T. J. Siddiqui (Eds.), *Speech, Image and Language Processing for Human Computer Interaction: Multi-modal Advancements* (pp. 234-260). Hershey, PA, USA: IGI Global Publishing, 2012, ISBN: 978-1-4666-0954-9 [in English].

A Step Towards Emotion Aware Joking AI: Multiagent Humor-Equipped Conversational System, Paweł Dybala, Michał Ptaszynski, & Kohichi Sayama - In T. Bosse (Ed.), *Agent-Based Approaches to Ambient Intelligence* (pp. 289-326). Amsterdam, Netherlands: IOS Press, 2012. ISBN: 978-1-61499-049-9 [in English].

Towards Socialized Machines: Emotions and Sense of Humour in Conversational Agents, Michał Ptaszynski, Paweł Dybala, Shunsuke Higuchi, Wenhan Shi, Rafał Rzepka, & Kenji Araki - In Z. Usmani (Ed.), *Web Intelligence and Intelligent Agents* (pp. 173-206). Vienna, Austria: In-Tech, 2012. ISBN 978-953-7619-85-5 [in English].

Hokkaido-Japonia bez gejsz i samurajow [Hokkaido – Japan without geishas and samurais], Tom Bogdanowicz, Paweł Dybala, Eva Grave, Jin Matsuka, Piotr Milewski, Michał Ptaszynski, Rafał Rzepka, Piotr Wegrzynowicz, Piotr Wilk-Witosławski, & Łukasz Zabłonski - Warszawa: Wydawnictwo Mantis, 2006. ISBN: 83-918125-7-X.

Czasopisma / Journals

Evaluating Subjective Aspects of HCI on an Example of a Non-Task Oriented Conversational System, Paweł Dybala, Michał Ptaszynski, Rafał Rzepka, & Kenji Araki - *International Journal on Artificial Intelligence Tools*, 19(6), 819-856, 2010 [in English].

Multiagent system for joke generation: Humor and emotions combined in human-agent conversation, Pawel Dybala, Michal Ptaszynski, Jacek Maciejewski, Mizuki Takahashi, Rafal Rzepka, & Kenji Araki - Journal of Ambient Intelligence and Smart Environments (Thematic Issue on Computational Modeling of Human-Oriented Knowledge within Ambient Intelligence), 2, 31-48, 2010 [in English].

Contextual Affect Analysis: A System for Verification of Emotion Appropriateness Supported with Contextual Valence Shifters, Michal Ptaszynski, Pawel Dybala, Shi, W Rafal Rzepka, & Kenji Araki - International Journal of Biometrics, Special Issue on Biometric and Kansei Engineering, 2(2), 134-154, 2010 [in English].

Simile or Not Simile? Automatic Detection of Metonymic Relations in Japanese Literal Comparisons, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - Springer Lecture Notes in Computer Science, Post LTC2013 Publication (praca zaakceptowana, publikacja planowana na: 2016) [in English].

Metaphor, Humor and Emotion Processing in Human-Computer Interaction, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - International Journal of Computational Linguistics Research Vol. 4, Issue 1 (March), pp. 1-13, 2013 [in English].

Towards Computational Fronesis: Verifying Contextual Appropriateness of Emotions, Michal Ptaszynski, Michal Mazur, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Yoshio Momouchi - International Journal of Distance Education Technologies, Special Issue on Emotional Intelligence for Online Learning, Vol. 11, No. 2, pp. 16-47, 2013 [in English].

Reducing Excessive Amounts of Data: Multiple Web Queries for Generation of Pun Candidates, Pawel Dybala, Michal Ptaszynski, & Kohichi Sayama - Advances in Artificial Intelligence, vol. 2011. Article ID 107310, 12 pages, 2011. doi:10.1155/2011/107310 [in English].

CAO: A Fully Automatic Emoticon Analysis System Based on Theory of Kinesics, Michal Ptaszynski, Jacek Maciejewski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - IEEE Transactions on Affective Computing, 1(1), 46-59, 2010 [in English]. [2011 IEEE SAPPORO SECTION ENCOURAGEMENT AWARD]

In the Service of Online Order: Tackling Cyber-Bullying with Machine Learning and Affect Analysis, Michal Ptaszynski, Pawel Dybala, Tatsuaki Matsuba, Fumito Masui, Rafal Rzepka, Kenji Araki, & Yoshio Momouchi - International Journal of Computational Linguistics Research, 1(3), 135-154, 2010 [in English].

An Automatic Evaluation Method for Conversational Agents Based on Affect-as-Information Theory, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - Journal of Japan Society for Fuzzy Theory and Intelligent Informatics, Special Issue on Emotions, 22(1), 73-89, 2010 [in English].

When Your Users Are Not Serious - Using Web-based Associations, Affect and Humor for Generating Appropriate Utterances for Inappropriate Input, Rafal Rzepka, Shunsuke Higuchi, Michal Ptaszynski, Pawel Dybala, & Kenji Araki - Transactions of the Japanese Society for AI, 25(1), 114-121, 2010 [in English].

Activating Humans with Humor - A Dialogue System that Users Want to Interact With, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - IEICE Transactions on Information and Systems

Journal, Special Issue on Natural Language Processing and its Applications, E92-D(12), 2394-2401, 2009 [in English].

A System for Affect Analysis of Utterances in Japanese Supported with Web Mining, Michal Ptaszynski, Pawel Dybala, Wenhan Shi, Rafal Rzepka, & Kenji Araki - Journal of Japan Society for Fuzzy Theory and Intelligent Informatics, Special Issue on Kansei Retrieval, 21(2), 30-49 (194-213), 2009 [in English].

Publikacje pokonferencyjne / Conference Proceedings

Towards Joking, Humor Sense Equipped and Emotion Aware Conversational Systems, Pawel Dybala, Motoki Yatsu, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The 7th International Conference on Applied Human Factors and Ergonomics, Conference on Affective and Pleasurable Design, Florida, USA (praca zaakceptowana, publikacja planowana na: lipiec 2016) [in English].

Influence of Emoticons and Adjectives on Affective Perception of Japanese Texts, Rafal Rzepka, Urszula Jagła, Pawel Dybala, Kenji Araki - In Proceedings of The 30th Annual Conference of Japanese Society for Artificial Intelligence, International Organized Sessions. Kitakyushu, Japan (praca zaakceptowana, publikacja planowana na: czerwiec 2016) [in English].

Detecting false metaphors in Japanese, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of the 6th Language & Technology Conference (LTC'13) (pp. 127-131), Poznan, Poland, 2013 [in English].

Open Source Affect Analysis System with Extensions, Michal Ptaszynski, Fumito Masui, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of the First International Conference on Human-Agent Interaction (iHAI 2013), Sapporo, Japan, 2013 [in English].

Semantic Clues for Novel Metaphor Generator, Rafal Rzepka, Pawel Dybala, Kohichi Sayama, & Kenji Araki - In Proceedings of 2nd International Workshop of Computational Creativity, Concept Invention, and General Intelligence (C3GI), 23rd International Joint Conference on Artificial Intelligence (IJCAI 2013). Beijing, China, 2013 [in English].

NLP Oriented Japanese Pun Classification - Pawel Dybala, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of The International Conference on Asian Language Processing IALP 2012 (pp. 33-36). Hanoi, Vietnam, 2012 [in English].

Japanese Puns Are Not Necessarily Jokes, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of The Association for the Advancement of Artificial Intelligence (AAAI) Fall Symposium, Artificial Intelligence of Humor (pp. 7-13). Arlington, Virginia, USA, 2012 [in English].

Data Filtering in Humor Generation, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of 21st ACM International Conference on Information and Knowledge Management (pp. 2587-2590). Maui, Hawaii, USA, 2012 [in English].

Humor, Emotions and Communication: Human-like Issues of Human-Computer Interactions (Publication based presentation), Pawel Dybala, & Kohichi Sayama - In Proceedings of The 34th annual meeting of the Cognitive Science Society (pp. 1238-1239). Sapporo, Japan, 2012 [in English].

Computing Humorous Metaphors (abstract), Pawel Dybala, & Kohichi Sayama - Proceedings of The 34th annual meeting of the Cognitive Science Society (pp. 2669). Sapporo, Japan, 2012 [in English].

Emotion Valence Shifts in Humorous Metaphor Misunderstandings Generation, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of Linguistic and Cognitive Approaches to Dialog Agents 2012, The Thirty Seventh Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp. 50-54). Birmingham, UK, 2012 [in English].

YACIS: A Five-Billion-Word Corpus of Japanese Blogs Fully Annotated with Syntactic and Affective Information, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Yoshio Momouchi - In Proceedings of Linguistic and Cognitive Approaches to Dialog Agents 2012, The Thirty Seventh Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp. 40-49). Birmingham, UK, 2012 [in English].

Beyond Conventional Recognition: Concept of a Conversational System Utilizing Metaphor Misunderstanding as a Source of Humor, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of The 26th Annual Conference of Japanese Society for Artificial Intelligence, International Organized Sessions (pp. 50-53). Yamaguchi, Japan, 2012 [in English].

Emotion Recognition in Humorous Human-Computer Communication: A Conversational System Using Humor According to User Emotions (abstract), Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, Kenji Araki, & Kohichi Sayama - In Proceedings of The 6th Conference on Language, Discourse, and Cognition (pp. 70-71). Taipei, Taiwan, 2012 [in English].

Annotating Affective Information on 5.5 Billion Word Corpus of Japanese Blogs, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, Kenji Araki, & Yoshio Momouchi - In Proceedings of The Eighteenth Annual Meeting of The Association for Natural Language Processing (pp. 405-408). Hiroshima, Japan, 2012 [in English].

CAO: Fully Automatic Emoticon Analysis System, Michal Ptaszynski, Jacek Maciejewski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In: Proceedings of The Twenty-Fourth AAAI Conference on Artificial Intelligence (pp. 1026-1032). Atlanta, Georgia, USA, 2012 [in English].

Developing a Large-Scale Corpus for Natural Language Processing and Emotion Processing Research in Japanese, Jacek Maciejewski, Michal Ptaszynski, & Pawel Dybala - In Proceedings of the International Workshop on Modern Science and Technology (IWMST) (pp. 192-195). Kitami, Japan, 2010 [in English].

Multi-humoroid: Joking System That Reacts With Humor To Humans' Bad Moods, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The Ninth International Conference on Autonomous Agents and Multiagent Systems (pp. 1433-1434). Toronto, Canada, 2010 [in English].

Chain of Events: Multi-stage Approach to Humor and Emotions in HCI, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of Linguistic and Cognitive Approaches to Dialog Agents 2010, The Thirty Sixth Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp.53-58). Leicester, UK, 2010 [in English].

Computer System That Likes Chess, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of Towards a Comprehensive Intelligence Test 2010, The Thirty Sixth Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp.42-44). Leicester, UK, 2010 [in English].

Some Conclusions Derived from Data of Online Slandering and Bullying, Michal Ptaszynski, Pawel Dybala, Tatsuaki Matsuba, Fumito Masui, Rafal Rzepka, & Kenji Araki - In Proceedings of Linguistic and Cognitive Approaches to Dialog Agents 2010, The Thirty Sixth Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp.7-16). Leicester, UK, 2010 [in English].

Forgetful and Emotional: Recent Progress in Development of Dynamic Memory Management System for Conversational Agents, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of Linguistic and Cognitive Approaches to Dialog Agents 2010, The Thirty Sixth Annual Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour (pp. 32-38). Leicester, UK, 2010 [in English].

PUNDA Numbears: Proposal of Goroawase Generating System for Japanese, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of the 16th Annual Conference of The Japanese Society for Natural Language Processing (pp. 345-348). Tokyo, Japan, 2010 [in English].

Towards Fully Automatic Emoticon Analysis System (^o^), Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of the 16th Annual Conference of The Japanese Society for Natural Language Processing (pp. 583-586). Tokyo, Japan, 2010 [in English].

Serious Processing for Frivolous Purpose - A Chatbot Using Web-mining Supported Affect Analysis and Pun Generation, Rafal Rzepka, Pawel Dybala, Wenhan Shi, Shunsuke Higuchi, Michal Ptaszynski, & Kenji Araki - In the Proceedings of International Conference on Intelligent User Interfaces (pp 487-488). Sanibel Island, Florida, USA, 2010 [in English].

Development of Emoticon Database for Affect Analysis in Japanese, Michal Ptaszynski, Pawel Dybala, Komuda, R Rafal Rzepka, & Kenji Araki - In Proceedings of The 2010 International Symposium on Global COE Program of Center for Next-Generation Information Technology Based on Knowledge Discovery and Knowledge Federation (pp. 203-204). Sapporo, Japan, 2010 [in English].

Computers with personalized sense of humor, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The 2010 International Symposium on Global COE Program of Center for Next-Generation Information Technology Based on Knowledge Discovery and Knowledge Federation (pp. 205-206). Sapporo, Japan, 2010 [in English].

Do humans like it human like?, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - Joint Global COE Symposium for Cultivating Young Researchers (pp. 169-170). Sapporo, Japan, 2009 [in English].

Ideas for Using Large-Scale Corpora to Improve Verification of Emotion Appropriateness in Japanese, Michal Ptaszynski, Pawel Dybala, Wenhan Shi, Rafal Rzepka, & Kenji Araki - Joint Global COE Symposium for Cultivating Young Researchers (pp. 171-172). Sapporo, Japan, 2009 [in English].

Affecting Corpora: Experiments with Automatic Affect Annotation System - A Case Study of the 2channel Forum, Michal Ptaszynski, Pawel Dybala, Shi, W Rafal Rzepka, & Kenji Araki - In Proceedings of the 11th Conference of the Pacific Association for Computational Linguistics (pp.223-228). Sapporo, Japan, 2009 [in English].

Crossing Word Borders: Towards Phrasal Pun Generation Engine, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of the 11th Conference of the Pacific Association for Computational Linguistics (pp.242-247). Sapporo, Japan, 2009 [in English].

Getting closer to human level - human-likeness and its relation to humor in non-task oriented dialogue systems, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The 4th International Conference on Computational Intelligence (pp. 7-14). Honolulu, Hawaii, USA, 2009 [in English].

Conscience of Blogs: Verifying Contextual Appropriateness of Emotions Basing on Blog Contents, Michal Ptaszynski, Pawel Dybala, Shi, W Rafal Rzepka, & Kenji Araki - In Proceedings of The 4th International Conference on Computational Intelligence (pp. 1-6). Honolulu, Hawaii, USA, 2009 [in English].

Subjective, but not worthless - Non-linguistic features of chatterbot evaluations, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of 21st Joint Conference on Artificial Intelligence, The 6th Workshop on Knowledge and Reasoning in Practical Dialogue Systems (pp. 87-92). Pasadena, California, USA, 2009 [in English].

Shifting Valence Helps Verify Contextual Appropriateness of Emotions, Michal Ptaszynski, Pawel Dybala, Wenhan Shi, Rafal Rzepka, & Kenji Araki - In Proceedings of 21st Joint Conference on Artificial Intelligence, Workshop on Automated Reasoning about Context and Ontology Evolution (pp. 19-21). Pasadena, California, USA, 2009 [in English].

Towards Context Aware Emotional Intelligence in Machines: Computing Contextual Appropriateness of Affective States, Michal Ptaszynski, Pawel Dybala, Wenhan Shi, Rafal Rzepka, & Kenji Araki - In Proceedings of 21st Joint Conference on Artificial Intelligence (pp. 1469-1474). Pasadena, California, USA, 2009 [in English].

Humoroids – Talking Agents That Induce Positive Emotions with Humor, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - Proceedings of The Eighth International Conference on Autonomous Agents and Multiagent Systems (pp. 1171-1172). Budapest, Hungary, 2009 [in English].

Humorized Computational Intelligence - towards User-Adapted Systems with a Sense of Humor, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of the EvoStar 2009 Conference, EvoWorkshops, Tubbingen, Germany. Lecture Notes in Computer Science (LNCS) Vol. 5484 (452–461). Berlin & Heidelberg: Springer Verlag, 2009 [in English].

Joking Computers – Why, When and How?, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of Joint Global COE Symposium for Cultivating Young Researchers. Jozankei, Japan, 2009 [in English].

Processing the Contextual Appropriateness of Emotions, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of Joint Global COE Symposium for Cultivating Young Researchers. Jozankei, Japan, 2009 [in English].

When Should Computers Joke? Concept of Emotiveness Analysis Based Timing Algorithm for Humor-Equipped Conversational Systems, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The 15th Annual Conference of The Japanese Society for Natural Language Processing (pp. 542-545). Tottori, Japan, 2009 [in English].

Contextual Valence Shifters Supporting Affect Analysis of Utterances in Japanese, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The 15th Annual Conference of The Japanese Society for Natural Language Processing (pp.825-828). Tottori, Japan, 2009 [in English].

Conversational Agents Can Joke, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of The 2nd International Symposium on Global COE Program of Center for Next-Generation Information Technology Based on Knowledge Discovery and Knowledge Federation (pp. 206-207). Sapporo, Japan, 2009 [in English].

Development of Corpus for Affect Analysis in Japanese, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The 2nd International Symposium on Global COE Program of Center for Next-Generation Information Technology Based on Knowledge Discovery and Knowledge Federation (pp. 216-217). Sapporo, Japan, 2009 [in English].

Humor Prevails! - Implementing a Joke Generator into a Conversational System, Pawel Dybala, Michal Ptaszynski, Shunsuke Higuchi, Rafal Rzepka, & Kenji Araki - In Proceedings of the 21st Australasian Joint Conference on AI, Wobcke, W. and Zhang, M. (eds), Auckland, New Zealand. Lecture Notes in Artificial Intelligence (LNAI), Vol. 5360 (pp. 214-225). Berlin & Heidelberg: Springer-Verlag, 2008 [in English].

How to find love in the Internet? Applying Web mining to affect recognition from textual input, Michal Ptaszynski, Pawel Dybala, Wenhan Shi, Rafal Rzepka, & Kenji Araki - In Proceedings of the 2008 Empirical Methods for Asian Languages Processing Workshop at The Tenth Pacific Rim International Conference on Artificial Intelligence (pp. 67-79). Hanoi, Vietnam, 2008 [in English].

Affect-as-Information Approach to a Sentiment Analysis Based Evaluation of Conversational Agents, Michal Ptaszynski, Pawel Dybala, Shunsuke Higuchi, Rafal Rzepka, & Kenji Araki - In Proceedings of the 2008 International Conference on Intelligent Agents, Web Technologies & Internet Commerce (pp. 896-901). Vienna, Austria, 2008 [in English].

Affect as Information about Users' Attitudes to Conversational Agents, Michal Ptaszynski, Pawel Dybala, Shunsuke Higuchi, Rafal Rzepka, & Kenji Araki - In Proceedings of the 2nd International Workshop on Human Aspects in Ambient Intelligence at the 2008 IEEE/WIC/ACM International Conference on Web Intelligence and Intelligent Agent Technology (pp. 459-500). Sydney, Australia, 2008 [in English].

Disentangling emotions from the Web. Internet in the service of affect analysis, Michal Ptaszynski, Pawel Dybala, Shi, W Rafal Rzepka, & Kenji Araki - In Proceedings of the 2nd International Conference on Kansei Engineering & Affective Systems (pp 51-56). Nagaoka, Japan, 2008 [in English]. [BEST STUDENT PAPER AWARD]

Extracting Dajare Candidates from the Web - Japanese Puns Generating System as a Part of Humor Processing Research, Pawel Dybala, Michal Ptaszynski, Rafal Rzepka, & Kenji Araki - In Proceedings of the First International Workshop on Laughter in Interaction and Body Movement at The 22nd Annual Conference of The Japanese Society for Artificial Intelligence (pp. 46-51). Asahikawa, Japan, 2008 [in English].

Double Standpoint Evaluation Method for Affect Analysis System, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The 22nd Annual Conference of The Japanese Society for Artificial Intelligence. Asahikawa, Japan, 2008 [in English].

Dajare Generating Support Tool - Towards Applicable Linguistic Humor Processing, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The 14th Annual Conference of The Japanese Society for Natural Language Processing (pp. 701-704). Tokyo, Japan, 2008 [in English].

Effective Analysis of Emotiveness in Utterances based on Features of Lexical and Non-Lexical Layer of Speech, Michal Ptaszynski, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The 14th Annual Conference of The Japanese Society for Natural Language Processing (pp.171-174). Tokyo, Japan, 2008 [in English].

Dajare Types and Individualised Sense of Humour - A Prelude to PUNDA Project, Pawel Dybala, Rafal Rzepka, & Kenji Araki - In Proceedings of The Hokkaido Chapters of the Institutes of Electrical and Information Engineers 2007 (pp.293-294). Sapporo, Japan, 2007 [in English].

PUNDA Project – a Design For A Japanese Puns Generating system, Pawel Dybala, Rafal Rzepka, & Kenji Araki - Language Acquisition and Understanding Technical Report (pp. 6-11). Sapporo, Japan, 2007 [in English].

Lexical Analysis of Emotiveness in Utterances for Automatic Joke Generation, Michal Ptaszynski, Pawel Dybala, Shi, W Rafal Rzepka, & Kenji Araki - In ITE Technical Report, 31(47). pp.39-42. Sapporo, Japan, 2007 [in English].
